Sponsors' Sheet for the Summer Program

With this letter I am requesting financial support to help me cover the expenses of participating in the Instituto Fe y Vida's 2010 Summer Program at the University of Saint Mary in Leavenworth, Kansas.

The total cost for this weeklong program is \$775.00, plus the cost of travel. I am committing to contribute financially as well.

Knowing how important it is to have a solid formation in our faith and to grow as a committed Catholic, I have decided to participate in this program. With your support I will be able to realize my commitment. Also, I want you to know that I will keep you in my prayers during those days and we will offer our graduating Eucharist for all those who helped us grow in faith and life.
